

Help Provide the Best Equipment

Every year, Canmore Hospital Foundation provides around \$300,000 in funding for the Canmore Hospital's medical equipment "Wish List," which includes items across all departments including emergency care, long term care, diagnostic imaging, acute care, cancer clinic, physiotherapy, surgery, labour and delivery, etc.

Every dollar contributed to the Equipment Purchases Fund ensures that the staff at Canmore Hospital have access to the best tools available in their chosen field. This allows medical teams and hospital staff to deliver the best care possible to patients.

It is the goal of Canmore Hospital Foundation to make sure our hospital's equipment stays up-to-date.

Technology Advances Quickly

Thank you for considering a gift to the Canmore Hospital Foundation

The Canmore Hospital Foundation approves the purchase of dozens of pieces of medical equipment for the Canmore General Hospital each year.

Some examples of recent purchases include:

- Ceiling mounted patient lifts to make moving long-term care patients easier, safer, and more comfortable.
- Portable Vital Sign Machines for measuring crucial medical signs that indicate the status of the body's vital functions.
- CPR Mannequins that assist in the training of hospital staff
- Bilimeters for newborns that measure bilirubin levels without as many “pokes”.
- Electrocardiograph Machine that records the heart’s electrical signals.
- Phlebotomy Chair that allows patients to sit comfortably during blood collection.

The Foundation is proud to work in partnership with our community and play a role in the health and wellness of our community.

Your gift ensures our hospital staff have the tools they need

The Canmore Hospital Foundation is a registered charity, separate from the Canmore General Hospital.

Funds raised by the Foundation through the generosity of our donors does not replace base funding through Alberta Health Services, but enhance the patient care provided by the hospital through equipment purchases, programs, staff education and improvement of facilities.

We have been a staple of the health community in the Bow Valley area for more than years and through the generosity of our community we have raised over \$8 million dollars.

Donations made to the Equipment Purchases Fund are a way to participate in the future of Canmore General Hospital. Every gift you make to help purchase equipment translates into continued quality care for the people who live in and visit the Bow Valley.

Thank you for believing in the work we do and for your continued support of local healthcare

Ways to Give

Donate through CanadaHelps:

<https://www.canadahelps.org/en/dn/4983>

Donate through ATB Cares:

<https://www.atbcare.com/donate/>

Charitable Bequests and Planned Giving:

ed@canmorehealthfoundation.com

Note: Planned gifts can provide the donor or estate with certain tax benefits. The Foundation recommends you seek qualified financial and legal expertise regarding your giving and planned giving options.
