

Help us support Local Students

In 2022, the Canmore Hospital and the Canmore Hospital Ladies' Auxiliary launched the Bow Valley Health Care Scholarship program and in 2023 added the Bow Valley Indigenous Health Professional Bursary.

Canadian tuition fees are between \$2,500 and \$11,400 a year.

Recognizing the essential role that health care providers and first responders play, the foundation is proud to support local students who are pursuing careers in health-related fields.

Our Future

Thank you for considering a gift to the Canmore Hospital Foundation

The Foundation has **already awarded more than \$20,000 to students from the Bow Valley**

We are delighted with the success of the Bow Valley Health Care Scholarship program and the Bow Valley Indigenous Health Professional Bursary. To increase the impact of these programs we are eager to expand and create more opportunities for students.

Ways to contribute:

Option 1: Donate to the “programs” fund to contribute to the scholarship program

Option 2: Sponsor a scholarship as a business or an individual

Option 3: Donate directly to one of the scholarships, sponsoring a portion of the scholarship opportunity

Option 4: Set up an endowment to fund scholarships for years to come

Scholarships can significantly impact the long-term career prospects of students. Not only do they ease immediate financial concerns, but they also serve as accolades on a resume, signaling to future employers a candidate’s competency and potential.

Your Gift helps to encourage those considering careers in health care

The Canmore Hospital Foundation is a registered charity, separate from the Canmore General Hospital.

Funds raised by the Foundation through the generosity of our donors does not replace base funding through Alberta Health Services, but enhance the patient care provided by the hospital through equipment purchases, programs, staff education and improvement of facilities.

We have been a staple of the health community in the Bow Valley area for more than years and through the generosity of our community we have raised over \$8 million dollars.

Donations made to are a way to participate in the future of Canmore General Hospital. Every gift you make to the Bow Valley Health Care Scholarship Program or the Bow Valley Indigenous Health Professional Bursary translates into continued quality care for the people who live in and visit the Bow Valley.

Thank you for believing in the work we do and for your continued support of local healthcare
